The USA: A Dream Destination for Study Abroad

A lecture on the topic “The USA: A Dream Destination for Study Abroad” was held by the IDP manager Maneesh Chandra on Saturday, September 29, 2018 at the National Institute of Technology Andhra Pradesh. During the lecture, Maneesh Chandra provided guidance to the students to prepare for IELTS exam and to get scholarships in foreign universities. He also encouraged the students to explore educational opportunities abroad by participating in the “IDP’s UK U.S. & Canada Education Fair” which will be held on Monday, October 1, 2018 at the Gateway Hotel, M.G. Road, Vijaywada. Therein, the students will get a face-to-face meeting with over thirty institutions and can directly discuss with the university officials regarding the scope of scholarships, research facilities and job opportunities. B.Tech third year and final year students from different engineering branches attended the lecture and benefitted from the same.
