ADHOC FACULTY OF CHEMISTRY RECEIVED YOUNG FACULTY AWARD-2016

Director, Coordinator, Staff and Students of NIT-Andhra Pradesh congratulate **Dr. Vandavasi Koteswara Rao**, Adhoc Faculty in Science & Humanities Department of the institute, for achieving the “**Young Faculty Award in Chemistry-2016**” by the “**Venus International Foundation**”, Chennai, India for the year 2016 (<http://vifa.info/fa16/winners/vandavasikoteswararao.html>). Dr. Koteswara Rao received the award in view of recognition of his Teaching and Research Contributions, Achievements and Excellence in Chemistry. He completed his M.Sc. from University of Hyderabad and obtained Ph.D. from Indian Institute of Science, Bangalore. After completing his post-doctoral from Indian Institute of Science, Bangalore and Youngstown State University (YSU), Youngstown, OH, USA, he worked as a Part-Time Faculty (YSU, OH, USA) and an Assistant Professor of Chemistry (Vignan University, Guntur). Then he joined as an Adhoc Faculty of Chemistry at NIT Andhra Pradesh. His main focus of research is in the fields of Inorganic Open-Framework Materials and Metal-Organic Frameworks.
