National Education Policy 2020:

- ❖ NEP-2020 is the first education policy of the twenty-first century which was announced after 34 years of the previous National Policy on Education declared in 1986. NEP-2020 is directed towards initiating **major reforms in school and higher education levels.**
- ❖ The main objective of the National Education Policy is to transform India into an equitable and vibrant knowledge society. It envisions an **India-centric education system** that contributes directly to transforming India into a Knowledge super-power.
- ❖ The comprehensive transformation aimed through effective implementation of NEP is expected to bring about a paradigm shift in the country's education system and create reinforced educational ecosystem for realizing '**Atmanirbhar Bharat**' envisaged by the **Honourable Prime Minister of India – Shri. Narendra Modi ji.**
- ❖ It is heartening to note that various Webinars, Virtual Conferences, and Conclaves on various aspects of National Education Policy 2020 are being organized across the country by several academic institutions since it is believed that academic institutions have a greater role to contribute towards the implementation of NEP with full spirit.
- ❖ NIT Andhra Pradesh feels honored to have **hosted 10 Webinars on NEP 2020**, addressed by eminent academicians and policy makers of Nation. This national Conference aims to draw academicians from all the National Institutes to deliberate on the roles and responsibilities to be shouldered for implementing NEP 2020 with full spirits to attain its objectives.
