

NATIONAL INSTITUTE OF TECHNOLOGY ANDHRA PRADESH ANDHRA PRADESH, INDIA

Department of Computer Science and Engineering

DST-SERB Sponsored One Day Online Workshop on Parallel and Distributed Programming using Python

23rd May 2022

About the Workshop and Call for Registration

The main objective of this One Day Online Workshop on “Parallel and Distributed Programming using Python” is to acquaint the participants with the practical aspects of Parallel and Distributed, with a major focus on the techniques and strategies through lectures sessions. The workshop will be useful to B.Tech students in accomplishing their project work in the domains of Data Mining, Machine Learning, Deep Learning, Artificial Intelligence.

National Institute of Technology, Andhra Pradesh is the 31st institution among the chain of NITs started by the Government of India. NIT Andhra Pradesh is established in the state of Andhra Pradesh recently in the academic year 2015 – 2016. The institute offers B.Tech., M.Tech., M.S. (by research) and Ph.D. programmes in major Engineering disciplines. The institute is about to launch M.Tech. programmes across thrust Engineering domains.

The department offers B. Tech, Minor degree in Software Engineering, M. Tech (Computer Science and Data Analytics), M.S (by Research) and Ph.D. programmes. The department has qualified, dedicated, experienced faculty with deep sense of commitment towards the students and institution. Faculty proficiency in thrust areas of Computer Science motivates students to participate in research activities and skill development programs. The department has a very good placement record. Faculty research interests include, but are not limited to the following areas; Artificial Intelligence, Machine Learning, Pattern Recognition, Big data Analytics, NLP, Deep Learning, Cyber Security, Cryptography.

General Instructions

The participants of the course will be B.Tech students from various engineering/technical institutions. No registration fee. Selection will be done on a First Come First Served basis. Modality of the programme is online webinars through GMeet. E-certificates will be issued to the participants. Please [Click here](#) for online registration.

Last date for receipt of application: 22nd May 2022.

Convener: Dr. Hima Bindu K

Assistant Professor & Head, Dept. of CSE
Department of Computer Science and Engineering
