Venue: Ravindra Kalabharati, NIT Andhra Pradesh

Organized by: Taskforce Club & Bhavishya Bharat Club In association with Lions club
& HDFC Bank

Name of Secretary: K Vedanth Reddy

Description:

A blood donation camp was successfully organized on 11th December 2025 at Ravindra Kalabharati, National Institute of Technology Andhra Pradesh, Tadepalligudem. The event was a collaborative effort by the Taskforce Club and Bhavishya Bharat Club, with the support of Lions International and HDFC Bank. The initiative aimed to promote voluntary blood donation and spread awareness about the importance of donating blood to save lives.

The camp began at 9:30 AM, with volunteers and organizers ensuring smooth arrangements for registration, health screening, and donor assistance. Posters, banners, and awareness materials—highlighting the fact that every two seconds someone needs blood—were displayed to encourage participation. The message “Let’s Donate Blood! Save Lives!” served as the central theme of the event.

A team of certified medical professionals handled the screening process, checking donors for eligibility based on standard health parameters. Eligible participants were then guided to the donation area, where hygienic and safe procedures were strictly followed. Arrangements were made for refreshments, rest areas, and post-donation care to ensure the comfort and well-being of all donors.

The event witnessed enthusiastic participation from students, faculty members, and staff. It helped spread awareness about how even one drop of blood can spark endless hope, reinforcing the significance of such humanitarian initiatives. The collected blood units were handed over to authorized medical teams for distribution to hospitals and emergency care centers.

Representatives from Lions Club and HDFC Bank appreciated the dedication of the organizing team and the generous spirit of the donors. The event concluded on a highly positive note, successfully fulfilling its objective of inspiring individuals to contribute toward saving lives.

Overall, the blood donation camp at NIT Andhra Pradesh was a commendable success, reflecting strong community participation and a shared commitment to social responsibility.
